

## TYCO HEALTHCARE AWARD

The aim of the award is to confer on the recipient a grant for professional advancement in any field of radiography.

The award is available to persons with suitable qualifications registered with the Health Professions Council of South Africa and who are members of good standing with the Society of Radiographers of South Africa.

Applications must reach the National Secretary on or before the 30 June each year.

The award will be published in *The South African Radiographer* and will be conferred annually.

Applications will be considered by the Executive Committee who will submit motivations to the full National Council.

The successful candidates will be required to submit a paper for publication in *The South African Radiographer* and to present a paper on their subject at a meeting of radiographers.
